## **Year 6 gift to school**

On Monday morning in the pouring rain, the ribbon was cut and the paper uncovered to reveal the Year 6 gift to the school. As you can see in the photo below they have completely beautified the playground bubblers area with a tiled splashback. The hand painted tiles were created by the year 6 class. The plumbing was fixed and new fully functioning bubblers installed. Thank you to the Year 6 class group, the class parents; Claire, Regina and Brigid for organising the fundraising and the planning and installation of the gift and all the Year 6 parents who contributed time and skills to the project. It looks wonderful and the children are enjoying bubblers that work!

*Wow look at our beautiful, talented children and teachers and what they've done. The weather couldn't stop us this morning and we presented the school with the gift which was warmly received. A MASSIVE big thank you again to Adam, Luke, Sean and Joe who gave up their Saturday to put this gift together and to Cara who came in on her day off. We couldn't have done this without you all. We couldn't be more pleased with the way it turned out and to leave such an awesome reminder of our beautiful children.*

*Thanks again.*

*The three amigos- Claire, Reg and Brig xx*

### **End of Year Thanksgiving Mass**

Our End of Year Mass will be next Friday 15<sup>th</sup> December at 12 noon in St. Joseph's Church. We invite you to join us as we celebrate all the achievements of 2017 and farewell leaving staff and families. **Parents are welcome to take children home after the Mass.** Please note this is the last day of school for students.

### **P&F happenings and Class Parents for 2018**

The new executive team met with CSO advisors on Wednesday night to hear about contemporary practices for P&F's across the diocese. As we have a completely new team this was a great learning experience for us. Thank you to all those parents who have volunteered for the role of class parent for 2018. This is an important pastoral and social role. Next year Donne Tizzard will be in the newly created role of class parent co-ordinator. She will be contacting all class parents for 2018 shortly with some information about communication with parents.

We have set a date for the **Welcome to new parents evening- Friday 2<sup>nd</sup> March.** This will be in the school courtyard which we hope to 'fancy up' a bit for the evening. It will be a BYO event for parents only. Please note the date in your diary.

### **P&F donation of money and spending**

This week the outgoing P&F executive finalised the transfer of funds to the school from 2017 fundraising. The very generous amount has meant that not only can the air conditioners be funded as planned but also some new signage and spotlights to indicate our school entrances and location, especially in Ocean St. The new signs will be installed next week.

Thank you once again to the outgoing P&F committee for all their work this year.

### **Canteen spending money**

A reminder for children to make sure their spending money is safely in a zipped pocket of their uniform or in a purse given to the teacher to mind inside the classroom. Children should not have a lot of money to spend as lunch orders are on QKR. I draw to your attention this information from the parent handbook, **Children do not need to bring more than \$2 cash to school for the canteen to purchase morning tea.**

### **Semester 2 reports**

Reports will be emailed home on Friday.

Teachers have been finalising the Semester 2 reports over the past weeks. These reports are based on the learning outcomes and work completed in Terms 3 and 4 this year, so your child's grade is based on their achievement for this period of time.

Warm regards,

**Virginia Outred**

Principal

## Religious Education News

### Last weekend began Advent

What is Advent? It's the season of expecting and waiting for Jesus to come. It's the process of preparing our hearts and minds to receive him.

The Gospel last weekend had a clear message: Jesus wants us to watch for his return. He says it three times. 'Be on your guard; stay awake, because you never know when the time will come'. 'Stay awake', he says, 'for you don't know when the master of the house is coming ... if he comes unexpectedly, he must not find you asleep'. Then he adds, '... what I say to you I say to all: Stay awake.'

God is constantly revealing himself through the experience of our daily lives, and Advent is the ideal time to start noticing his presence. But to do this we need to slow down, to create spaces for silence around us, and to start living mindfully in the present moment.

## **Assistant Principal News**

A few weeks ago we were approached by Woolworths, Narrabeen to see if there were any donations we would like to accept in the school at this time to help "bring a little good" in this month of December. Among other things, we asked for some 'Christmas' shopping bags to collect and distribute our Vinnies food hampers in, and some fruit for the students for well-being week. The team at Woolworths delivered their donations to school last week.

We really appreciate the community support from the Woolies team and think that 'Narrabeen Good Acts' is a wonderful initiative to help promote community in Narrabeen.

A huge thank you from us all at St Joseph's!

## Library News

**Library books:** Thank you to all those who have promptly returned their books. This week the children who still have outstanding books were given a note requesting either the return of the books or payment for replacement. Where possible I have included a picture of the missing books. At present we still have 74 books still outstanding. Having to replace these books eats into our budget and so we have less to spend on new releases. So please assist your child to find the books or pay the partial replacement costs. At present no class has returned all their books. So our competition is still going. Thanks for your assistance with this.
