

**Term 3 Core Value:** Respect  
**School Rule:** Care for the place you're in  
**Respectful Relationships Focus:** Have good 'table' manners

Dear Parents,

**Grandparent Mass** This morning our community joined together at Mass in a beautiful celebration to honour our grandparents. As Father Raphael stated 'experience is wisdom, grandparents have had so much life experience so they are wise and we need to listen to them.'

The CSO currently has a campaign about embracing grandparents in our communities with the slogan, "God couldn't be everywhere so he created Grandparents.' Grandparents allow us to look at the world through another set of wiser, loving eyes. Thank you to those who joined us for Mass and visits to classrooms. Thank you to the Kinder class parent's who organised the morning tea, and to all those families who supplied the goodies to share.

I had the wonderful pleasure of reconnecting with a lady who was Mum to a child I taught in my first year of teaching in 1985 at St Ives and is grandma to one of our Year 6 girls- it's a small world!

**Benedictine Value for Term 3- Stewardship** Our school value this term is Stewardship. 'Looking after the place you are in' is how a child described stewardship at assembly yesterday. Being a steward means caring for all of God's creation. Many of the classes have an environmental theme for their unit of work and all classes are studying a Religious Education unit about caring for God's creation.

So what does stewardship look like at home? What does it look like at school? I encourage you to talk about it with your family.

**P&F meeting** The Term 3 P&F meeting is next Wednesday at 2pm in the library. Come along and hear about plans for the Term 4 trivia night and other community matters. The P&F work hard to maintain and strengthen the wonderful inclusive community of St Josephs.

**Process for recruiting a permanent Principal** Today you will receive an email with a letter from our Broken Bay schools director, Peter Hamill outlining the process for recruitment of a permanent principal for the school from 2018. Our Northern Beaches school's consultant, Anne Duncan would like to meet with parents to consult with you about the qualities the parent community would like to have in a new principal for St Josephs. Anne consulted with the parent community at the end of last year and this information will be passed onto the selection panel who are charged with the responsibility of selecting a new principal. However, further information and insights are welcome

and Anne Duncan is available to meet parents on **Thursday August 3<sup>rd</sup> at 2.30pm in the school library.** Alternatively you can contact Anne directly at this email: [anne.duncan@dbb.catholic.edu.au](mailto:anne.duncan@dbb.catholic.edu.au)

**Afternoon Dismissal** Last term we changed our afternoon dismissal procedure. This was to ensure that all children were in the right place to travel home after school. We have refined the procedure more this term so that children catching a bus, walking home unaccompanied or being picked up at kiss and ride line up first at the shade cloth and are escorted by the teacher on duty to their area. ASC children are picked up in the same area by Flavia. All other children stay with their teacher until their parent or carer arrives in the main playground. I request that parents picking up children wait in the main playground so that we do not have congestion in the area outside K- 2 classes. The procedure has worked very well this week with a calm and safe exit from the school.

**Mufti Day Friday 4<sup>th</sup> August** Year 6 are holding a gold coin fundraiser on Friday next week.

**Notification of Pupil free day** On Friday 22<sup>nd</sup> Sept the last day of term 3, all the teachers will be attending a whole day spirituality day. This will be a pupil free day.

Warm regards,

A handwritten signature in black ink that reads "Virginia Outred".

**Virginia Outred**  
Acting School Principal

## Curriculum News

**Project Feathertail Glider** This term Stage 3 (Years 5 and 6) are lucky enough to be involved in an amazing Challenge-based Learning program called '**Project Feathertail Glider**'. We are so excited to be involved in this very special project run by Taronga Zoo and supported by the CSO and Northern Beaches Council. It is an incredibly engaging and empowering unit of work that is designed so the students are actively involved in helping to solve a real world problem.

In this integrated unit the students will be guided through an inquiry learning experience focusing on the Feathertail Glider and the recovery and preservation of this species into the future. Students will be empowered to educate the local community about how they can help save this amazing local species designing, making and displaying a campaign product that educates the wider community about the issues facing the Glider and ways Northern Beaches residents can make a difference to protecting this species. They will be mentored through the project by Year 10 students from Mater Maria.

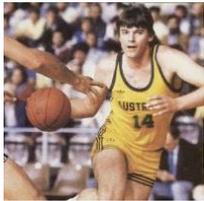

Next week we visit Taronga Zoo to learn more about these amazing creatures and meet our mentors and in Week 4, we visit Attunga Reserve in Newport, a native habitat for the Feathertail Glider.

We will also be installing a nest box in the playground to support the 'Habitat in Schools Project'. We will let you know more about this as the date for installation approaches.

In Week 9 we will be holding a School Expo day, where the students will showcase their presentations/ projects that they have worked on in the term. In Week 10 we are involved in a Community Expo day. We will also let you know more about this later in the term!

**School Musical 2017** Can you believe nearly two years has passed since our last school music? Mrs Appleton and I are so excited that musical time is with us again! We are well underway in the script writing process and we auditioned Years 5 and 6 last term. In a few weeks we will begin to teach the classes their performance items. As the term progresses, we will ask for parent volunteers for jobs such as costuming and make-up. For the time being, make sure you set aside the date **Thursday 23rd November** (Term 4, Week 7).

# MUSICAL

**Sports News Basketball Clinics** This term Sam Carolan has organised for Brad Dalton (former dual Olympian) to run Basketball clinics at School. These will be on Wednesdays for 5 weeks from Weeks 5 to 9 – 16th, 23rd, 30th August and 6th and 13th September. The Basketball will be in place of the extra sport and/or gross motor activities that the students have each week. They will need to wear their sports uniform on these days.

Assistant Principal

## Religious Education News

**Candela Mission Peru** Mrs. Mary Rajca visited St Joseph's on Monday July 24th to speak to the students about the work of the Sisters of Mercy in the shanty town of Candela in Lima Peru. Through a program, the Mercy sisters of the mission teach the women to make beautiful handicrafts.

During her talk, Mrs. Rajca was able to show the children slides of Candela, the women and the children and explained how their donations from the sale of the crafts items give the women an income so they can provide for their families.

All funds raised go back to the women who have made the goods and in some cases have helped the building of bathrooms and toilets that they would otherwise not have.

It was wonderful to see so much activity during the Monday and Tuesday lunch times, when students in Year 6 created a stall and sold many of the beautiful and very popular craft items.

We have raised over \$600.00. Link [Candela photos](#)

Your support of the mission has been greatly appreciated.

Blessings

**Margot Beckett**  
Acting Religious Education Coordinator

## School News

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From **Wednesday 26th July to Tuesday 19th September** or while stock lasts, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths. At the end of the promotion, we'll be able to get some great new equipment.

The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library.

If you'd like to know more visit [woolworths.com.au/earnandlearn](http://woolworths.com.au/earnandlearn)

- **Sticker sheets** are available from the school office
- **Earn & Learn box** is located in the foyer of the school office when you are ready to drop in your stickers
