

**Term 2 Core Value:** Respect

**School Rule:** Be inclusive and take turns

**Respectful Relationships Focus:** Let someone go before you

Dear Parents

### **Fair play on the playground**

As part of our teaching in the PDHPE curriculum and through our lessons in PBL (Positive Behaviours for Learning) as well as lessons about SEL (Social and emotional learning), our children are taught social norms as well as school expectations for behaviour in the classroom and playground. The majority of the time and the majority of the children at St Joseph's play well and are inclusive and supportive in their games with others. However, this week I have had to speak with some groups of children about how they are playing games on the playground. There is an attitude of 'win at all costs' that has crept into some games. This means rules are changed or made up that prevent some players to participate fully in a game. Certainly the aim of a game is to win and have fun along the way but it is also about playing the game fairly, giving others a go and not teasing those who get out or gloating excessively when one wins. There are many professional sports people who are exemplary role models of fair play and good sports, win or lose. Sadly, there are also many examples of those who are not.

I ask for your support by talking to your child about what fair play looks and sounds like, pointing out those professionals who are good sports and why. This is timely as well before the Years 3-6 children head off to their respective gala days next week to compete against the other Catholic schools on the Northern Beaches.

### **Father Rex's final goodbye to us**

On Wednesday Father Rex attended morning tea with staff and then the children presented him with a card on which Ciara A from Year 6 had drawn a wonderful portrait of him. Our Year 6 Civics and Citizenship team leaders read a speech thanking Father Rex and then the whole school sang 'This little light of mine' with actions. (Thanks to Cara Appleton for rehearsing the children)

### **Word Mania**

Some of our classes have been participating in an online word competition on the Literacy Planet site. Year Four have been working hard on it over the past couple of weeks, they are competing against other schools in the Sydney region. They are currently coming first in participation and first in skill, and are also 27<sup>th</sup> on the ladder against schools from Australia and New Zealand. Mrs Calleja and Year 4 are very excited about participating in the competition next term as there are some great prizes to be won for the school.

### **Canteen committee**

The canteen committee is Mark Page (P&F president), Catherine Strbik, Donita Kerin, Jacqui McKeand and myself. Roles and procedures are becoming more established as the committee works on issues together.

Catherine stocktakes, audits and orders, checking supplies weekly and ordering 'little and often' so that food can be stored and be in date. This may mean that at the end of term certain items will be unavailable, if so, they are temporarily taken off the OKR ordering system.

Donita checks accounts and organises and oversees the roster. She liaises with Kerrie in the office to close off OKR if there are not enough volunteers for a particular day. We are looking into using an App for the roster. Jacqui is currently away but will update manuals, procedures and train anyone who would like to begin volunteering in the canteen.

## Religious Education News

Mark and I help in the decision making. At the moment we are looking at some small and exciting changes in the menu. Watch this space.

A reminder that all of these people are volunteers in this role, performing a task so that our children and families can have the convenience and fun of a canteen. I thank them for their time and energy.

Also a big thank you to those regulars who have put their hand up and volunteered when we didn't have enough on some days.

### Fun fair reminders

Sam Mancell and Sally Miles are very busy working on their timetable of tasks so that the fun fair can be a great success. **We are asking for each family to send in a bag of lollypops this week and next.** Please read Sam's fun fair newsletter each week for updates.

### Kiss and Drop next week

Our lovely Denise Sprakel who volunteers for Kiss N Drop in the church driveway each Monday and Tuesday will be away next week. You may use the driveway 'at your own risk'. Please do not park in the driveway from 8.30am so that it can be used in this way.

### Kinder 2019 Enrolment Offers

### Fr Rex Farewell

A lovely celebration was had by all on Sunday at Fr Rex's farewell. Yesterday morning Father was farewelled by our children with a lovely version of the song "This Little Light of Mine". I want to personally thank him for the guidance and support he has shown me in my role as REC and the enthusiasm he has in the faith development of our children and for the parish.

### St Vincent de Paul Winter Appeal

On Tuesday the whole school was encouraged to wear a beanie in order to support St Vincent de Paul in their annual Winter Appeal. Today the Social Justice Team worked on packing these bags for them to be distributed amongst our community.

### Confirmation Preparation

This weekend sees that start of Confirmation Preparation in our parish. We wish all these children all the best in their preparation.
