

**Term 3 Core Value:** Stewardship

**School Rule:** Care for the place you are in

**Respectful Relationships Focus:** Have good table manners

Dear Parents

This would usually be a 'short newsletter' week but there are a few important messages and events that needed to be communicated so it's fairly long! Read on!

### Grandparents Mass and Morning Tea

Today we celebrated the gift of our grandparents in a beautiful community Mass presided over for the last time by Father Raphael. A large number of our grandparents enjoyed classroom visits and a cuppa and sweet treat afterwards. Thank you to our Kinder class parents and families for sending in all the food and hosting the morning tea. Grandparents are such a gift in our community and the wider world. It was a beautiful touch to have some of our grandparents fulfil some of the roles in the Mass alongside their grandchildren. Please pass on our thanks to those grandparents and all those who came to visit. I include our opening of the Mass read by Jasmine P:

*Today we give thanks for our own grandparents they are a blessing from God in our lives and for our families. Thank you for providing the stability, support, wisdom, kindness, and love that you do for us all. We will shortly set the sacred space with symbols of our grandparents. We will place a blanket to remind us of the warmth and care that our grandparents give; we will place a pair of knitting needles and a ball of wool to remind us that a grandparents love is patient and never ending; we will place a cake tin to remind us of the yummy things they make for us; we will place a fishing rod and tackle box to remind us of the fun and adventures we can have with our grandparents; finally we will place a newspaper to remind us of the knowledge they share with us about the world but also about the Gospel and the ways to live as a disciple of Jesus.*

### Term 2 Build in Love Awards

Each term the class teacher chooses 1 child from each class as the recipient of the *Build in Love* award aligned to our school value for that term. At Mass today nine students were presented to the community for the way they epitomised the value of **Respect** for term 2.

### Drama Club play last week.

Last Tuesday the after school Drama Club run by Sean Moran presented their play to the classes. There was some very skilful acting and we all laughed and had fun. It's wonderful to witness the increased confidence of those students who have been in the club for a few terms.

### Athletics Carnival tomorrow

This is a great day of competition and fun. All children will be very active for most of the day. The weather promises to be unseasonably warm so please ensure children have hats and sunscreen applied. I hope to see many of you there.

### Fun fair reminders

Please see Sam Mancell's message in this newsletter re: a meeting for class parents next week, and early bird sale of fun fair wristbands.

### Kiss and Ride in the afternoon.

Thank you to those who have displayed names since last week. It assists us greatly. Please email Kerrie in the office if you need one made for you.

The Kiss n Ride zone is a convenient way for parents to pick up their children. We understand that occasionally if a car is parked illegally and we cannot locate the owner it can become chaotic. At these times the teachers on duty do their very best to keep things flowing, however, the safety of the children always comes first. Please be co-operative and follow the rules even if it takes a little longer.

- Please **drive your car up to the sign** to allow cars behind you. Do not go to the head of the line in front of cars still loading children.
- **Display your family name card** on the dash or sun visor. Teachers cannot always see you or know every vehicle.
- **Load your children quickly**, this is not the place for the afternoon chat.
- Please pull away safely, watching the pedestrian crossing.

### Year 6 and Waste Audit at St Joseph's

As promised last week, please read the update from Mrs Appleton.

Next Tuesday, in connection with the Coastal Environment Centre, Year 6 will be conducting an audit on our St Joey's waste. We will collect, sort and compile data on a day's worth of waste in our school. We will hopefully use this data to affirm the good work we are already doing in terms of waste management, and ultimately to stimulate ideas for improving the amount of waste that we generate. This is part of our ongoing campaign to bring about change in our homes, school and wider community relating to how we use plastic, especially single use plastics. They look forward to sharing their findings with our school community.

In addition to this, Year 6 will shortly be launching a fundraiser to promote everyday environmentally friendly products. We have sourced some environmentally friendly (and fun!) pencils made from recycled newspaper and we look forward to selling these to our students during lunchtimes in a few weeks' time.

Year 6 have also been writing letters to local shopping centres to encourage them to think about ways that these centres can influence sustainable practices in the community. After polishing up his skills in persuasive writing, Liam R from Year 6 wrote to the Warriewood Centro management team. In his letter, he communicated his group's idea of installing water fountains in the centre to encourage visitors to bring refillable drink bottles instead of buying single use plastic water bottles. This is just another way that our leaders at St Joseph's are working hard to be stewards of our environment and make a difference in our world. Read Liam's letter at the back of this newsletter.

### Meet & Greet with Fr Robert

Fr Robert would like to gather with parishioners in homes around the parish. This could be day or night at a mutually agreed time. You may know of Catholics who live near you whom you could invite for a cuppa at this meet and greet. Fr Robert would like to hear from all parishioners as to their hopes and desires for being a vibrant and welcoming parish.

If you are interested please contact The Lakes Parish Office on 9982 1058 to nominate your home. This is a real opportunity to be heard and to meet Fr Robert.

## Father's Day Celebrations

Father's Day will be celebrated at St Joseph's School on **Friday 31 August** with open classrooms and a free bacon & egg sandwich for adults and children. Our celebrations will commence at 7.30am in the playground.

A coffee van will be on the premises for you to purchase coffee and hot chocolate at your own expense.

If you would like the free bacon & egg sandwich, please use the Google Form link below for catering purposes.

Please feel free to bring an alternate breakfast with you if you do not eat bacon & egg sandwiches.

## Library News

### Premier's Reading Challenge

Congratulations to Gracy B from Year 3 for completing the Premier's Reading Challenge. Well done Gracy! Children have until the end of August to complete the Challenge.

### Book Week Parade

This year we are changing the emphasis from book characters to great vocabulary in books. So we ask that the children come dressed as an interesting word. They should attach the word and its meaning to their costume. This ties in with work done in classrooms on finding interesting or "Wow" words. In coming weeks we will send home lists of words that could be used. If you want to see other's costume ideas just google Word parade costumes. The parade will be held on Tuesday 21<sup>st</sup> August.

### Book Fair

This will be held on Monday 20<sup>th</sup> and Tuesday 21<sup>st</sup> August from 8.30-9am and 2.45-3.30pm each day. Books will range in price from \$5-\$30 and can be paid for by cash or credit card. Children can buy a book and/or donate a book to the Library. We gain a commission from each book sold which helps us add new books to the Library.

### St Joey's Books Under the Spotlight

Come and join us as we put books under the spotlight on Wednesday 22<sup>nd</sup> August from 6-6.30pm in the Library. Wear your pyjamas if you wish and bring a torch to read your favourite book. Parents can share a book with their child or bring their own to read. Entry is by gold coin donation for the Indigenous Literacy Foundation. There will be cookies and milo before we read – please bring your own mug to save us using plastic.

## Messages from the office

### Student Absence – illness

If your child is sick and staying home from school, would you please either email or phone the school ([sn@dbb.catholic.edu.au](mailto:sn@dbb.catholic.edu.au) or teacher direct) **by 9am**. This assists us with roll marking.

### School Fees

May we take this opportunity to thank parents who have paid their school fees by the due dates as it greatly assists our accounting process, and ensures availability of cash flow in order to provide the best educational service to the students of St Joseph's.

We are currently following up families with outstanding accounts. Accounts which remain overdue will be referred to the Catholic Schools Office Fee Liaison Unit.

To assist families keep up to date with payment of school fees, statements are emailed in the first week of each month, and instalment payment dates are:

Standard: Final payment was due **27 July**

Monthly: Payments are due on the 15<sup>th</sup> of each month, **15 August through to November**

Fortnightly: Payments due **10, 24 Aug, 7, 21 Sept, 5, 19 Oct, 2 Nov**

Weekly: Payments due **3, 10, 17, 24, 31 Aug, 7, 14, 21, 28 Sept etc**

A complete listing of all instalment dates for 2018 can be found on our school website [here](#).

Liam Year 6  
St Joseph's Catholic Primary School, Narrabeen  
108 Ocean street  
Narrabeen, NSW, 2101

Dear Ms De Vault,

It's no secret that the world is in an environmental crisis. Single use plastics are taking over and single use plastic bottles are just one of the ocean's silent killers. Last year, a study estimated that around eight million metric tons of our plastic waste enter the oceans from land each year. This is a major concern for us at St Joseph's. We are trying to make a difference so we are starting a campaign to encourage everyone in our school community to cut down on plastic waste. We are also challenging the community outside our school to make a difference as well.

On a recent trip to Warriewood Square we have noticed that the most convenient place to fill your drink bottle up is in the toilet. We also noticed that many, many people were drinking from disposable plastic bottles in the food court. Being such a community focused shopping centre, we believe this is an opportunity for Warriewood Centro to set a standard for other big shopping centres to make the environment a priority.

We believe that it would be beneficial to shoppers and our world to put in some water fountains throughout the shopping centre. So much of our waste consists of everyday items such as disposable plastic bottles. Installing water fountains will encourage customers to bring reusable bottles and show that Warriewood Centro is a community shopping centre that cares deeply about the world and our future. If you install water fountains at Warriewood Square not only would you be reaching customer needs you would also be helping the environment and helping us to spread this message at St Joseph's school. We would also hope that other major shopping centres would then copy you and put in water fountains, which would cut down significantly on plastic waste.

This is an important way to shape the future of our world and we hope that you will consider our idea.

Yours sincerely,

Liam (Year 6)
