

We will be sending home a cake box with the eldest child in each family the week of the fair. We need you all to use your baking skills and make us something delicious to sell at the Cake stall on Fair day. It can be a whole cake, cupcakes, slices, tart, gluten free etc. We appreciate any type of baking treat that you feel comfortable and competent making. On the Cake box there is a section for you to fill out the ingredients. You must make sure to include all the ingredients to ensure those with food intolerances or allergies are fully aware of what they are buying. The Finished baked goods are then to be delivered to the school canteen on Friday 26<sup>th</sup> in the afternoon (2.30pm – 3.15pm) OR on Saturday 27<sup>th</sup> before the fair commences (preferably 9am) to the Hall Kitchen.
