

**Term 2 Core Value: Respect**

**School Rule:** Care for your appearance

**Respectful Relationships Focus:** Say no if you know something is not right

Dear Parents

This week has been our **'Well Being week'**, a time to relax routines a little and take some time out to rejuvenate. Big thanks to Mrs Sekulich, Mrs Fogwell, Mrs Browett and the Year 6 wellbeing leaders for their organisation of yesterday afternoons "activities afternoon". See the photos and story later in the newsletter.

The big excitement of the week of course is the **Kids Disco on Friday night!** Class mums of Year 4, Sally Miles and Michelle Robinson, have organised a fun event for the K-2 children and then the 3-6 children which will give everyone the space to boogie on down at their level.

Please read the information from the organisers about the disco further on in the newsletter. This is important information about times, child supervision and expectations. For the 3-6 disco you will be required to sign in your child (and any others you may be bringing), leave your mobile number for emergency contact and then sign out again at pick up. This is so we can account for every child. Please be prompt to pick up your child(ren) so that the volunteers can clean up quickly and get home.

### Semester 1 Reports

Next Friday (21<sup>st</sup> June) your child's Semester 1 report will be emailed home. Reporting to parents is one part of the constant teaching/learning/assessment/planning cycle. Teachers are always assessing students' understandings, skills, values and attitudes against the NSW curriculum outcomes for their stage in all curriculum areas. Constant assessment helps teachers to adjust teaching and learning to the 'point of need' for class, group and individuals. The report is the culmination of those assessments over the first 2 terms of the year and is expressed in a 5 point grade scale as required by our state government education body, NESA. A grade of 'sound' means the student is meeting the expected standard for that stage.

In week 9 (24<sup>th</sup>-28<sup>th</sup> June), you have the opportunity to meet with your child's teacher to discuss their learning progress. Bookings for interviews are done online. Please see the instructions with our schools unique booking code on page 4 of this newsletter. **You have until Friday 21 June 3pm to logon and book.** After this the site will be closed.

### Brenda Paul returning next week

Next Monday we welcome back our Assistant principal, Mrs Brenda Paul from her LSL, travelling Europe. We look forward to hearing about her adventures!

I would like to thank Mrs Cathy Gualtieri who has stepped up into the role of AP this term so capably as well as maintaining all the tasks as the REC too. Thanks for your organisation and energy!

I would also like to thank Mrs Kath Fogwell who has been teaching Year 6 full time this term. It was business as usual for Year 6 which meant the rest of the school functioned as per usual too!

### Seasonal Influenza

During the colder months we are more susceptible to colds and flu. If your children are unwell and you suspect it may be the flu, please consult your doctor.

There are two main types of influenza virus that cause infection in humans - types A and B - and many sub-types or strains. Flu can occur throughout the year but influenza activity usually peaks in winter.

### Alpha is coming

Alpha is for anyone who is curious to explore the big questions of life, faith and meaning.

The interactive sessions explore the basics of Christian faith - it is very much suited to those without faith, and those who haven't explored their rusty faith in a long time. Run over about 10 weeks, you enjoy a meal, a short film and small group discussion where thoughts and questions are shared. A big bonus of Alpha are the lasting friendships that develop.

Start thinking and praying about people you might invite. Alpha starts in the Lakes Parish late July 2019. For **Further information contact:** [parishoffice@lakesparish.org.au](mailto:parishoffice@lakesparish.org.au)

## Well-being Week

Yesterday the students at St. Joseph's were able to enjoy some "well-being" activities organised by the Well-Being Team leaders Alana M, Abby B, Nathan L and Aidan J.

All the students were engaged and having some down time as part of well-being week. Our well-being leaders worked as a team to organise and prepare the activities. The students participated in activities such as: meditation; a team work task; playing some organised activities with the parachute; skipping with the individual ropes as well as having a go jumping in the big rope, and working together to play 'poison ball'.

A big thank you to all the other year 6 leaders who also helped with the activities - it worked and ran really smoothly, and there were many smiles on the faces of the children.

The playgroups will be facilitated by early learning educators and staff from the Catholic Schools Office.
