

Term 3 Core Value: Stewardship

School Rule: Care for your appearance

Respectful Relationships Focus: Have good "table" manners

Dear Parents

This week, I ask you to keep in your prayers our two parish priests. Father Bogdan's mother passed away in Poland last Friday night and then Father Robert's father, Dominic Borg, passed away on Saturday after a short illness. May they rest in peace.

Father Robert celebrated our Grandparents Mass on Friday when he had spent the week travelling back and forth to the hospital in southern Sydney to be with his father. Father Robert told us wonderful stories of his grandparents and parents all living in the same block of flats when he was growing up. I know these beautiful memories and his family will be a comfort to Father Robert during this time of grief.

Thank you to those who attended the Grandparents Mass. We had many grandparents travel quite a distance to be there. The Mass was one of thanksgiving and suitably uplifting and joyful. Thank you to Year 4 and their teachers for their planning and preparation. The class visits afterwards and sumptuous morning tea were very much appreciated by all. Thanks to Year 1 class mums and helpers for their coordination of the morning tea.

Friday 2nd August- Athletics Carnival

Our Athletics Carnival is on tomorrow!

We have been watching the weather forecast closely and it looks like the chance of some showers this evening but fine by 9am. On the slight chance that the rain becomes very heavy or stormy we will make the decision to go ahead or not in the morning. **We will send a push notification only if we cancel.** We only have one chance to run the carnival at this venue as no back up dates are given, so pray for fine weather!

Please have your child appropriately dressed (warm gear for the morning/raincoat if it looks like showers) and at school in time to catch the buses at 9.15am. ALL children come to school as usual to have their names marked. The return buses leave Narrabeen Sport Academy at 2pm. If you nominated on your registration form you were picking up your child from the venue please ensure you are there by 2pm. The expectation is that all children stay until the end of the carnival to join in the afternoon activities. The children do not have access to the canteen, parents only who may purchase for your child, so pack your child enough food and water for the day.

Thank you in advance to those parents who have volunteered for a job at the carnival, we had more than we needed! Your willingness to help is very much appreciated. Miss Preston will have notified you by email if you have been allocated a job. No other parents are permitted on the track during the carnival. We invite you to join your child in the stand to cheer on their colour house.

A reminder that this is a school carnival and a fun community event where all children are encouraged to compete whatever their level of skill. I attach a copy of the Broken Bay Diocese [Code of Conduct for Parents, Carers and other Spectators Attending School Sporting Events](#)

Director of Schools- Mr Peter Hamill resignation

During the holidays we were notified of the resignation of Mr Peter Hamill, the Director of Schools for Broken Bay Diocese. Peter Hamill is moving to the position of Deputy Director of the National Catholic Education Commission next week. He has been the director of all our Broken Bay schools since 2012 and steered the schools with strong leadership through some challenging political times for education in Australia and Catholic education specifically.

On behalf of the community I thank Peter for his pastoral care of our school and families. I will be attending a farewell Mass and function for Peter on Friday evening.

Tier 2 review. August 13 and 14

All schools in the Diocese of Broken Bay are on a continuous cycle of review. This review process is in two tiers. Tier 1 is all the checks required by NESAs so that our schools can be registered under the NSW education act. Tier 1 reviews occur every year for different subject areas and other non-curriculum areas such as OH&S compliance, student attendance records and safe and supportive environment.

The Tier 2 review is titled *Quality Assurance* and is conducted by an external panel of Principals from our diocese and other dioceses. The school prepares a report for the panel focussed on the three domain areas of the School Improvement Plan (**SIP**). Those domains are: Teaching and Learning, Mission and Pastoral Care. The whole staff has had several staff meetings to reflect on our achievements and challenges and plan for future goals in the domain areas.

The external panel of seven will be in our school on Tuesday 13th to Wednesday 14th August.

As part of their evidence gathering and checking for their report they meet with focus groups in the community. If you are interested in being part of the parent focus group on Tuesday 13th August at 2pm in the library please contact the office. The meeting should only be 20-30 minutes.

P&F news

Advance notice of the Term 3 general meeting - **Monday 26th August.**

At last term's P&F meeting there was discussion about fundraising in 2020 and the pros and cons of having another Fun Fair. It was decided to survey the whole community on this issue.

President Mark Page has created a survey which will be emailed on Monday to all families. Please take the time to make your responses and have your say about fundraising.

Thank you Sam!

Sam Carolan, our ex PE teacher has donated a vege garden pod to the school.

As the stage 3 students learn about sustainable gardening at their Kimbriki tip excursion they will be able to start using the pod.

Our photo this week is the Stage 2 students at Taronga Zoo yesterday for the launch of Project Feather Tail Glider. They all had a great day!

Term 2 Build in Love Awards

Each term the class teacher chooses 1 child from each class as the recipient of the *Build in Love* award aligned to our school value for that term. At Grandparent's Mass last Friday nine students were presented to the community for the way they epitomised the value of **Respect** for term 2.

Peer Support Groups

We are starting our Peer Support sessions this week. The whole school participates in Peer Support for approximately 30 minutes each week. Year 6 and Year 5 leaders facilitate a small group of 8-10 students from Kinder to Year 4, who work together through a number of structured activities. Each teacher will supervise 2 groups in their classrooms.

The module "Being Positive" equips students with the ability to approach life optimistically and to develop resilience with which to deal with difficult experiences. The module runs for 8 sessions. This week's session is about getting to know everyone in the group, agreeing how to work together and interacting cooperatively with others. We recommend that you talk to your children about Peer Support every week, as it will help to reinforce the concepts introduced in each session.

School Musical 2019

St Joseph's musical time is upon us again! I have begun the script writing process and the Year 5 and 6 students have been auditioned. Closer to the end of this term we will begin to teach the classes their performance items. As the term progresses, we will ask for parent volunteers for jobs such as costuming and make-up. For the time being, make sure you set aside the date **Thursday 28th November** (Term 4, Week 7).

We will be running two competitions. The first is to design a poster giving 10 reasons to read. The second is to design a pair of Secret Reading Glasses. This can be made from cardboard, paper, Lego, or whatever you can come up with. The competitions close on Friday 23rd August and there will be a small prize for the winner of each competition.
