Respectful Relationships Focus: Use good morning name, please, thank you and excuse me please

Dear Parents

Well it's been another busy week of activity and learning here at St Joey's.

We conclude the week tomorrow with our traditional Father's Day breakfast. I look forward to seeing the dads at school tomorrow morning and wish you all a Happy Father's Day for Sunday.

Northern Beaches Catholic schools Public speaking competition

Anthony P and Abigail B from Year 6 proudly represented us at the annual competition on Monday morning at Sacred Heart Mona Vale. All the speakers were very talented and engaging with both their 3 minute and impromptu 1 minute speeches.

Congratulations to Anthony and Abi for their well written speeches and confident delivery. They entertained us with their speeches at our assembly yesterday.

Athletics Carnival - Broken Bay

A great team of St Joseph's athletes represented the school proudly last Thursday at the cluster carnival at Narrabeen. P&F news- Term 3 Meeting

Thank you to those hearty souls who braved the downpour and attended the meeting on Monday night.

Below are some items from the agenda with information and follow up:

- **Fun fair or not?** The results of the survey were shared. 'Not fussed either way' was the most popular response to the question of whether to have a fun fair in 2020. It was decided to form a fundraising committee for commitment to 2020. The committee can decide and commit to being organisers of a fun fair OR another fundraising community based event. This doesn't mean we wouldn't have a fun fair again but it needs a commitment from a group for the years planning not just an individual. If you could commit to being part of a small team of 4-6 people to organise a community based event for 2020, please fill in this [Fundraising Committee Google Form](#). A decision will need to be made in Term 4 about an event.

- **Uniform** - Our rep from Lowes informs me there is some stock for summer uniforms in store or in the warehouse. The store will be fully stocked for summer by the end of September.
- **The future for technology hardware** - I am proposing that in 2020 we will introduce an **optional Bring Your Own Designated Device (BYODD)** for year 3-6 students only. The device, a 6th generation iPad would be specified and supported by our system wide set up.

Why? The cost of leasing iPads is ongoing and expensive for the school. It would free up funds to improve class wide access with devices such as Apple TV and to keep renewing the current stock of 40 chrome books.

Students would still have access to shared devices in classes, in year 3-6 we would still have the 10 chrome books and at least 2-3 school owned iPads in each class.

K-2 classes would still have the school owned or leased iPads for shared use as they do now. The BYO devices would be used in the same way we use our technology now, as a tool for learning, NOT the only tool. And just as our devices now are not accessed all the time, they would be fully supervised in the class and definitely not accessed at playtimes outside. They would be system wide supported with rules and processes in place.

Great questions were asked at the meeting as I'm sure many of you will have. Therefore, I am arranging a date for an information evening with CSO IT education officers to speak to us about how it would work and answer some of those questions.

Band Performance evening coming up! - Wednesday 4th September

All children in bands, Year 1 recorder group and Mr Warby's choir will perform at our annual Concert evening. The evening begins at 6.30 pm, finishing by 8pm.

All performers must be in the front playground by 6pm to be organised and escorted to their places in the hall. Parents will be able to enter the hall from 6.20pm. Children must have an accompanying adult present on the night.

The choir and Year 1 recorder groups will perform early in the program. The expectation is that all children, performers and parents stay for the whole program, however if your child is in K-2 and has completed their item, we will pause the program at 7pm for those who need to leave and put them to bed on time. This will be at one time in the evening only, please do not leave during other performances.

There will be donation baskets on the night as we are trying to raise money for an amp or two for the bands

Learning every day counts campaign

Did you know that missing 2 school days per month adds up to missing a year of school over 13 years? **Learning Every Day Counts** is a diocesan initiative that aims to assist in improving student attendance at school through a shared commitment by students, families, schools and the community.

The Learning Every Day Counts initiative promotes four key messages:

1. All children of compulsory school age (6-17 years) should be enrolled at school and attend every school day
2. Schools should promote, monitor, communicate and implement strategies to improve and maintain regular school attendance
3. Missing days of school impacts on a students' learning, wellbeing and future employment and life choices
4. Supporting good attendance at school is the responsibility of everyone in the school community.

The CSO has organised some parent workshops which will have a wellbeing focus and will address school attendance matters such as, good routines and strategies, developing resilience and a growth mindset in children/adolescents. Please go to this [link](#) for details of the parent workshops in our cluster, and the see further information on the CSO website [here](#).

The following short video addresses the issue: <https://vimeo.com/343112821>

A new student information system is on the way!

Exciting news – an office kiosk and a new parent portal!

Our new Compass Kiosk has now been installed in the school foyer. The Kiosk looks like a large iPad and is to be used by parents who pick up their child/ren early and for late arrivals.

All late arrivals and early departures must be entered into the Compass Kiosk by a PARENT. Late children should not be dropped at the gate to walk in unaccompanied.

Also, shortly you will receive details about a **Compass Parent Portal and App** which will enable you to access information online about your child/ren, anytime, anywhere, from any modern web-enabled device.

Initially you will be able to –

- [View information on your child/ren's attendance](#)
- [Enter explanations for absences](#)
- [Receive communications](#)
- [Update your contact details](#)

Please keep a look out for an email with login information and instructions over the coming weeks.

Curriculum Corner

Last week in Peer Support the children discussed the concept of perseverance. An important part of learning is striving to improve and achieve our goals. Children need practise in talking positively to themselves when dealing with difficult situations. When children are supported and praised it encourages them to persevere. Encourage your child to practise persevering when learning something new.

This week the children will practise working cooperatively in their groups. Children need to understand that it is not always easy to work together and that we need to share our ideas, listen to others and accept that there is more than one way to solve a problem. Through the activities they are encouraged to see problems as challenges to be overcome and understand that working cooperatively as a group can make any situation easier to handle.

School Musical 2019

Don't forget to save the date for our School Musical - **Thursday 28th November** (Term 4, Week 7). The theme of the musical is about diversity of cultures around the world. As the term progresses, we will ask for parent volunteers for jobs such as costuming and make-up.
