Compass – our new student information system is now operational

Individual login details are being emailed Friday

Our new Compass Kiosk has now been installed in the school foyer and many of you have already been using the Kiosk. The Kiosk looks like a large iPad and is to be used by parents who pick up their child/ren early, for late arrivals, and for sign in by all visitors to the school.

You will receive an email on **FRIDAY** with personal login details for the **Compass Parent Portal and App** which will enable you to access information online about your child/ren, anytime, anywhere, from any modern web-enabled device. **When downloading the App, please ensure you “allow push notifications”.**

From Monday morning, via computer or mobile APP, you will be able to:

- Enter explanations for absences, ie if your child is absent for the day you will now enter it via the App in the morning – no need to email or phone the school
- View information on your child/ren’s attendance
- Receive communications
- Update your contact details

All late arrivals and early departures must be entered into the Compass Kiosk in the foyer by a **PARENT**. Late children should not be dropped at the gate to walk in unaccompanied.

Absences of 10 or more school days will still need to be applied for using the [Application for Extended Leave - Form A1](#) found on our school website. This form should be printed, filled in and handed in to the school office with supporting documentation.

Please keep a look out for the email with login information and instructions on Friday.

Religious Education News

Mission Project Day

Last week on Friday the Mission Team participated in the Mission Project Day with Catholic Schools across the Northern Beaches. The event was held at Our Lady of Good Counsel Forestville. The students had the opportunity to listen to representatives from “Together for Humanity”. We heard stories from the point of view of Muslim, Jewish and Catholic faith and the challenges the speakers have faced growing up and not being accepted.

Over all, the day was productive and we all learnt a great deal about accepting all who are part of our country. We worked on our Mission Plan for term 4 and how we can act to help others. Stay tuned for projects we will be working on next term.

Kindy and Year 1, along with the Monday morning playgroup, enjoyed a visit from the fire brigade. Lights and sirens came on when the truck had to leave for an emergency call! Thanks to Eli T's dad Marty for arranging the visit.

Environmental Team News

The environmental team received a special delivery from Woolworths on Monday – a full set of the **Discovery Garden** seedlings. This is the new promotion at Woolworths and our school was chosen to receive the garden complete.

Dani B, Rose H, Leticia I and Hunter K from the environmental team are growing the seeds in the foyer, and once they have sprouted they will be moved into the Vege Pod being set up.

The worms in our new worm farm are also now eating our crunch and sip/fruit break scraps. We will be setting up a second worm farm in the coming weeks.

Curriculum Corner

This week in Peer Support the children will learn ways to cope when they are worried. Dealing with difficult situations is part of life and it's OK to be sad or upset when this happens. The activities this week help the children to practise ways to deal with these feelings in a positive way. Encourage your child to discuss what they learned in the session and remind them to ask an adult for help if a situation is too difficult.

School Musical 2019

Don't forget to save the date for our School Musical - **Thursday 28th November** (Term 4, Week 7). Earlier this week the Year 5 and 6 students were informed about their roles in the musical. They are very excited to begin the process of rehearsals and practice. The classes will also start their learning their class performance piece this week.

Belinda Bradley has kindly offered to be a costume coordinator – which involves liaising with teachers and help plan/design and coordinate sewers for the costumes if needed. If there is an area where you can help, please contact the school via email.

Canteen Roster & News

Clarification of canteen operation and Qkr ordering

- The canteen is open Mondays and Fridays **provided we have volunteers**.
- Any student who wishes to buy **lunch** from the canteen needs to have a Qkr lunch order placed.
- Lunch orders can be submitted on Qkr **two weeks in advance**.
- Please avoid trying to order “on the morning” as Qkr gets very busy and you may not be able to process your order.
- Please take note of the date you select for “**order delivery**”. There is a two week period on the screen to choose from.
- On dates where we do not have volunteers, you cannot “accidentally” place a Qkr order. The system is closed off.
- Please check the newsletter weekly to see when the canteen is open.
- **Volunteers must sign-in at the school office prior to working in the canteen.**
- If you are able to volunteer, please email Donita at: donita.kerin8@gmail.com
