

# THE COLOUR CRAZE THAT'S SWEEPING THE NATION™

Dear Parent/Guardian

**RE: School Colour Explosion™ Run – OPT OUT Parent Consent**

Thank you to date for your support with the School Colour Explosion™ Run. The event is only weeks away which is very exciting. It is our responsibility to seek permission for your child to participate in the School Colour Explosion™ Run. All measures have been taken to ensure that this event is safe for all students.

**A permission form will be sent to parents closer to the event seeking permission to walk to/from the event.**

**This form is for parents who DO NOT GIVE PERMISSION for their child to run through the coloured powder.**

There will be various colour powder stations throughout the course with two designated lanes – one for colour powder, the other with no powder. Your child can still participate in the event should you not wish for them to be sprayed with colour powder.

The staff will do their best to throw the powder at the torso, however wind and other factors can cause the powder to protrude on the face. You may wish for your child to bring their own eye protection such as sunglasses or goggles.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely washout of your child's clothing, however we recommend that your child wears a plain white shirt that you don't mind being coloured. That's what the event is all about!

Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use, the colour powder is considered safe for use. Students with lung issues such as asthma are advised to be careful in their decision to participate.

Should you wish to view the ingredient listings and toxicology risk assessment of the powder, please send me a text and I'll reply.

Get ready for a **BLAST OF COLOUR**, and thanks in advance for your support!
