A reminder that parents are now welcome to enter the school, for all drop offs, pick-ups etc. If you are entering the school please remember to check in using the QR code displayed all on the gates and all around the school. This means that as per our normal practice, if you are entering the school as a volunteer to work in the canteen, library or have a meeting with a teacher, (anything over 10 minutes) you need to come to the office and sign in at the Compass kiosk. This is so we can meet the contact tracing requirements.

Dear parents

## Vandals at school

There has been some vandals out and about in Narrabeen this week. Unfortunately, our school was a target for them on Tuesday evening along with some residences and cars. They were able to break into the canteen and take some food and make a bit of a mess with graffiti on our street signs. A report has been made to the police and fingerprints taken. The police informed me that several premises in Narrabeen were affected. All damaged was rectified on the same day and I explained to the students in a very basic way what has occurred. No classrooms or other rooms were entered or affected. Be assured that all classrooms at the school are alarmed and a security company monitors our alarms.

## NAPLAN this week

Congratulations to our Years 3 and 5 students who participated in the NAPLAN assessments this week along with all Australian students in Years 3,5,7 and 9. NAPLAN is a snapshot of learning. It provides data about learning and progression for the school and the nation. Results are usually available around September. All parents will receive results at this time.

## Maths Professional Learning and parent engagement

Our teachers are currently focussing on the teaching and learning of Maths in their professional learning. Yesterday afternoon we attended Maria Regina Catholic School at Avalon to join their staff and have 3 hours of learning, discussion, and planning in Maths, presented by their principal Kirsty Thorpe who has great expertise in this area. Next week the teachers will have a one-on-one session with myself, Brenda Paul and Liz Calabria, the numeracy education officer for Catholic Schools Broken Bay (CSBB) in what we call CASL meetings (Collaborative Analysis of Student Learning) to discuss children's learning through work samples and decide on teaching strategies to move learning.

In week 6, on **Wednesday 26 May** you are invited into our classrooms to join in a maths lesson in your child's class **from 11.35am - 12.15pm**. You can learn along with your child as they play some maths games and do some problem solving. It is a privilege to enter a classroom and be with the teacher and students as they learn, we ask you to respect this by not having other conversations in the room as the learning is happening and respecting the privacy and dignity of each child as a learner. To adhere to Covid safety plans we ask you to check in using the QR codes displayed in the school. For the health and safety of all, please do not attend if you are unwell or have flu like symptoms.

### CSBB Culture Survey - last day tomorrow

A reminder that the [culture survey](#) sent to you via Compass email on 3 May will be closed tomorrow afternoon if you are interested in responding. Thank you.

Please check the labels on hats and jackets to ensure lost property can be returned.

On Tuesday the team at Woolworths Narrabeen very generously delivered boxes of fresh fruit for our children to enjoy. Bananas, apples and mandarins were consumed over a couple of days with much appreciation.

- Any student who wishes to buy **lunch** from the canteen needs to have a Qkr lunch order placed.
- Lunch orders can be submitted on Qkr **two weeks in advance**.
- Please avoid trying to order "on the morning" as Qkr gets very busy and you may not be able to process your order.
- Please take note of the date you select for "**order delivery**". There is a two week period on the screen to choose from.
- On dates where we do not have volunteers, you cannot "accidentally" place a Qkr order. The system is closed off.
