

Term 2 Core Value: Stewardship

School Rule: Be in the right place at the right time

Respectful Relationships Focus: Joining in with others

Staff and students **who suspect they may have** COVID-19 **must not return to school** or work until they return a negative COVID-19 result and are symptom-free. Schools **must sight the negative COVID-19 test result.**

Please read the list of symptoms that the Dee Why Respiratory Clinic suggests indicating when testing should occur.

* **Fever** * **Dry cough** * **Sore Throat** * **Runny or stuffy nose** * **Shortness of breath**

Covid safety requirements - checking in using the QR code.

A reminder that parents are now welcome to enter the school, for all drop offs, pick-ups etc. If you are entering the school please remember to check in using the QR code displayed all on the gates and all around the school. This means that as per our normal practice, if you are entering the school as a volunteer to work in the canteen, library or have a meeting with a teacher, (anything over 10 minutes) you need to come to the office and sign in at the Compass kiosk. This is so we can meet the contact tracing requirements.

Dear parents

Well here we are again, just before school holidays facing another Covid 19 crisis with increased restrictions. As per last year, I receive updates from our head office and then pass onto you. Often the restrictions for the public are different for schools. The advice below was current at 8am this morning and most of it is obsolete from 3pm this afternoon as children do not attend school tomorrow as it is our pupil free day.

I wish all families a safe and relaxing 2 weeks winter break. See you all on Tuesday 13 July.

COVID Updated Advice from Health NSW

All schools can continue to operate full-time on-site.

To minimise further spread of COVID-19 in these areas, parents are advised of the following changes for school activities during this time:

- *Non-essential school visitors will not be allowed on school premises (ie: visitors not involved in delivering or supporting curricular activities)*
- *School-initiated non-curricular social activities (such as school discos and staff social events that involve members of the community in addition to staff and students) will be postponed where possible. Non-curricular activities and events held in school premises that involve members of the community in addition to students and staff must comply with the requirements of the current public health orders.*
- *Essential school visitors must continue to check-in via the QR code or sign in for each visit and comply with the school's COVID safe requirements, including personal hygiene, infection control and physical distancing requirements, while on the school site.*
- *Parents, carers and relatives may enter the school to drop off and pick up students in accordance with school COVID-safe arrangements.*

*Students and staff in school settings **are exempt** from the requirement to wear masks, however, individuals should be supported to wear masks if it is their preference to do so.*

Masks remain mandatory on public transport. This applies to students aged 12 years and over, and staff when travelling to and from school and during school excursions by public transport or by chartered or private transport services.

Farewell to families

Sadly we bid farewell to some families who are moving away for Term 3.

The Colreavy family; Sasha (year 5) and Leilani (year 2), the Aquino family; Julyanna (kinder) and the Lindsay family; Cadellia (year 1).

Thank you for your commitment to our Joey's community over the years, we wish you well at your new schools. May you always carry a little bit of Joeys in your hearts.

Athletics carnival

Our annual athletics carnival is next term, Friday 23 July at Narrabeen Academy of Sport. The Google form to fill in for your child's entry was emailed home on Monday and is linked [here](#). There are also all the details at the end of the newsletter. **Please fill out google form by Thursday of week 1 next term** so Miss Preston and Mrs Frost can organise the day. Please be mindful that late entries delay the organisation process for us and create extra work for everyone.

Todd Woodbridge cup Tennis comp this week

On Tuesday this week, 7 of our Year 3&4 children represented the school at a Tennis NSW schools competition for Stage 2 students only. All players were enthusiastic, putting their hand up to play even if they were very new to the sport and then thoroughly enjoyed the competition on the day. Well done to Sinclair, Lerryn, Felix, Mitchell, Adam, Roslyn and Ezekiel.

Staff Development Days (SDD) - Tomorrow and 1st day back next term

Today is the last day of term. A reminder that our last day this term, Friday 25 June and our 1st day of Term 3, Monday 12 July are both SDD's. This means they are pupil free.

Tomorrow the teachers will be participating in a Diocesan wide event 'zoomed' to us from our head office staff and engaging in workshops online all related to our new Diocesan strategic plan - *Towards 2025*.

On the first Monday of next term, the teachers will be joining with the St Rose staff with Dr Dan White, ex Director of Sydney Catholic Schools office on an RE/Mission/Reflection day titled- *Into the Desert*

Vinnies Winter Appeal

Thank you for your generous support of St Vincent de Paul's Winter Appeal. The families of St Joseph's raised \$291. A huge effort! This money will be used by Vinnies to support the homeless and disadvantaged.

On Monday students listened to a presentation from Fiona Pelosi, the schools engagement officer from St Vincent de Paul. She explained that Vinnies offers a hand up rather than a hand out- helping those in need to in turn help themselves. Margaret Coleman also spoke, who along with her husband Tom, is our local representative. Margaret talked about the work of Vinnies in our local community.

Next term, there will be more information about items we will collect to donate that will go directly to help people in our local community.

Spirituality Day

The first day back next term is a Pupil Free Day for students. Teachers will be joining with the staff of St Rose, Collaroy, taking part in a Spirituality Day led by Dan White. This day will provide teachers with opportunities for collaborative discussion and workshop activities as well as structured opportunities for reflective practice. Teachers will experience an array of 'higher order' thinking strategies that can be used to enhance classroom pedagogy.

Fundraiser

This year we have registered St Joseph's with **"Cards that count"**, a school fundraising initiative that creates professionally printed cards from the students artwork.

Early in Term 3 our children will be given the opportunity to design their own Christmas card (or another greeting if they wish) in class. You will be provided with a unique code for you or grandparents to purchase online and \$5 from the sale of each card pack will go back to the school. Please note there is no obligation to buy. For further information please see below.

Cards that Count is a school fundraising initiative that creates beautiful, professionally printed greeting cards from student artwork.

Each student design is turned into a pack of 10 cards with 10 white envelopes.

The cards are blank inside so they can be used for any occasion.

Student's name, year and school are printed on the back of the card.

The cards are printed in Australia on premium 100% recycled paper.

The card packs are available to order online for \$16 inc GST.

Every card pack ordered raises \$5 for your school.

How it works?

Artwork templates on which students create their card designs are sent to your school.

Once completed, the templates are returned to us for processing.

When we have uploaded the artwork, it is available to order for two weeks from our website:
www.cardsthatcount.com.au

Ordered card packs are delivered to your school in early November.
Funds raised are transferred to your school.

Canteen Roster & News

The canteen will be open for **LUNCH ORDERS ONLY**. There will not be any over-the-counter service at recess/lunchtime. See roster below, if you are able to volunteer, please email Georgia at: georgia_brizell@hotmail.com

Days shaded red will open once we have the required number of volunteers.

Clarification of canteen operation and Qkr ordering

- The canteen is open Mondays and Fridays **provided we have volunteers**.
- Any student who wishes to buy **lunch** from the canteen needs to have a Qkr lunch order placed.
- Lunch orders can be submitted on Qkr **two weeks in advance**.
- Please avoid trying to order "on the morning" as Qkr gets very busy and you may not be able to process your order.
- Please take note of the date you select for "**order delivery**". There is a two week period on the screen to choose from.
- On dates where we do not have volunteers, you cannot "accidentally" place a Qkr order. The system is closed off.
- Please check the newsletter weekly to see when the canteen is open.
- **Volunteers must sign-in at the school office prior to working in the canteen.**
