Reading and Responding - Kids News

L.I - We are learning to comprehend a range of different magazine articles.

This week we will be completing our reading learning from KidsNews articles

Click on the links to read the news article.

If you are finding these articles challenging to read don't forget you can scroll to the bottom and have the article

read to you! Make sure you follow along when you are listening!

- We will share a Google slide with you where you will complete your reading activities.
- Record your answers to the 'Quick Quiz'(in full correctly punctuated sentences please!) Use the same document for the whole week and put the heading of each article you read in bold.

History

Who represents me and how?

Your task is to research and think about the levels of government which represent the people in your area.

- What are the roles and responsibilities of each level of government?
- What are the buildings or locations that are connected to each level of government?
- Which people (jobs) are connected with each level of government?
- What sort of person do you think would make a good representative?

Create a way to present your research and thoughts. You could make a poster or a movie, give a speech, create a diorama or choose your own way to show your work.

You must:

- organise your information so that it is clear which level of government you are describing
- include at least one visual aid (something relevant to look at)
- include a list of the sources you used to do your research.

Religion

Use the slide show to study the big question and define the keywords in our new unit -
JESUS CARING FOR THE MARGANISLED

Creative Arts Challenge

Kimbriki's Eco House and Garden team would love to know how our amazing local school children are incorporating composting, worm farms and the 4R's at home during lockdown! So, to continue spreading our messages on waste reduction and recycling and to help our wonderful teachers we have developed the Great Kimbriki Compost & 4R's Competition

Age Categories:

- K - YR 2 STUDENTS
- YRS 3-6 STUDENTS
- HIGH SCHOOL STUDENTS

STUDENT PRIZES include worm farm kits, compost kits, and a single wicking bed planter kit.

MAJOR SCHOOL PRIZE is a recycled Kimbriki Wicking Bed pack which is valued at \$800 and includes soil, delivery, and installation!

YEARS 3-6 COMPETITION CREATE A POSTER

Create a poster to persuade and encourage your family, your neighbours, your friends, or people in your community to compost more food scraps or be more pro-active with the 4 R's in their daily lives.

Your poster may show:

- How to sort your different types of waste from the house instead of going to landfill.
- How easy it is to run a worm farm or compost bin.
- Swapping single use items for reusable ones

You **MUST** include at least one example in your poster, and tell us why it is important.

To enter take a photo of your entry and email it to kimbriki@kimbriki.com

All entries must include:

- Subject: Kimbriki Eco Poster Competition Years 3-6
- Name of student
- Year of student
- School Name
- **CLOSING DATE is FRIDAY 22 OCTOBER 2021**
