Please do not send children to school if they are unwell

Dear parents

This will be the final newsletter for 2022.

This time last year, I wrote in the newsletter about an 'unprecedented' year, lamenting how much the Covid 19 pandemic had radically changed our year, deprived us of some events and how we were all very happy to see the end of 2020.

Little did we know that Covid 19 had more to give the world in 2021. After the first 2 terms of school with some restrictions in place, suddenly we were plunged into a very long lockdown for Term 3 and school became home based learning for 17 weeks!

But as much as Covid could throw at us, we stood up to it and learnt to adapt even more to keep our community learning and connected remotely. We learnt again how to change, be resilient through that change, to see the positive side, to look out and care for others and make our family the priority. We held events remotely, keeping us connected and entertained. We learnt what our limits are, when to hold fast and when to let go.

I would like to thank you all for your commitment to your children's education, your passion for the community and your support of the staff. In our very busy lives, it's so easy to forget to say thank you for the little things as well as the big. To all those parents working away quietly in their roles I say, **'I see you and I thank you!'**. To the exceptional staff at St Joseph's I say, **'I see you and I thank you!'**

At this time we also bid a sad farewell to those families who will move on from our community as their last child finishes up at St Josephs or they move on to new places. We wish you all the best as you join new school communities and take your memories of Joey's with you. Thank you and farewell to the following families:

Alden	Saraceno	Bradley	Olivares N	Simmonds
Strbik	Sayer	Kusnierz	Pangilinan	Twells
Ljubic	De Coster	Lanning	Petersen	Zofrea
Schlitter		McMullen	Philipson	

At this time I would also like to thank Father Robert Borg, our parish priest for his support for our community and his listening ear and advice for me over the past year.

End of Year Thanksgiving Liturgy Wednesday 15 December at 11.30 am

This is a celebration of a year of learning and growth, together as a school community. We will be making various presentations and farewelling Mrs Pauline Carlyle and leaving families at the completion of the Liturgy. We will also 'clap out' our leaving Year 6 students through the school gate for the last time. Unfortunately, due to restrictions, only leaving parents who have been invited will be able to attend.

As this is the last day of school you may collect your children early from school after the Liturgy for an early start to the holidays if you wish. This will be around 12.30pm.

Year 6 2021 gift to the school

As is the tradition at St Joseph's, the leaving year 6 class of 2021 have purchased a gift to the school. They have purchased blinds for the year 6 room including a beautiful printed one of the ocean. Thank you to the year 6 students and their parents and especially the class parents, for their organisation of fundraising events in a year that had very limited opportunities.

Semester 2 Reports available on Compass on Friday 10 December from 3pm

Due to the disruption caused by Covid-19, adjustments to curriculum have been made throughout Terms 3 and 4 as per notice from NESA. Focus for this semester has been on student wellbeing and learning, and priority has been given to the key learning areas of Religious Education, English and Mathematics.

As a result of the extended period of Home Based Learning, student reports in Semester 2, 2021 will look a little different to the one you received earlier this year. This report provides information about your child's learning during the time of extended Home Based Learning in Terms 3 & 4 and the remaining weeks at school in Term 4. The report reflects your child's learning during the unique circumstances created by the Covid 19 pandemic. The focus for the report is student engagement and learning and priority to the 3 subject areas. You are welcome to contact the class teacher if you have questions about your child's report.

MAI bookings open today - What is MAI and why is it important?

In the Diocese of Broken Bay, every primary school conducts the Mathematics Assessment Interview (MAI) annually in February. This is a one on one assessment conducted by the class teacher in interview format to determine a child's level in the number strands in maths and to measure the growth each year. The explanation below gives some more detail.

'The Mathematics Assessment Interview and associated Growth Point Framework is a highly innovative form of assessment that is based on extensive research conducted during the Early Numeracy Research Project.

The MAI is task-based, interactive, designed for young children, and enables progress to be measured in mathematical domains against a research-based framework of growth points. There are four whole number domains; Counting, Place Value, Strategies for Addition and Subtraction, and Strategies for Multiplication and Division.

A critical role for the teacher throughout the interview is to listen and observe the children as they engage with a task, noting their responses, strategies and explanations. These observations are recorded on a detailed record sheet and then analysed to determine whether or not a response was correct; to identify the strategy used to complete a task; and to determine the growth point reached by a child overall in each domain. This growth point information can be further analysed at a student, class or school level in order to plan and develop curriculum and instruction, and to measure student progress over time.'

It is very important that you book a time with the teacher for next year and then keep that appointment. The results of the assessment are analysed, and each teacher plans the maths program accordingly.

Joeys Got Talent Quest

Although we are not having some of our usual end of year events, Mrs Browett, and a team of Year 6 helpers organised a fun talent quest that was held during lunchtimes this week. There were some fantastic acts from some very talented Joeys and lots of variety! Please see the [link to the website](#) for some video of the acts. The 10 acts that made the finale will perform on Monday. Please see Jade Browett's entry in this newsletter for those finalists. Thanks Mrs Browett and Year 6 team!

Free Ice block Friday

The P&F is providing free ice blocks on Friday 10 December at lunchtime for the children - thanks P&F team!

Early dismissal on Wednesday 15 December - 12.30pm - Last day of school

The last day of school is Wednesday 15th December. As set out in the table of events below, we have our end of year Thanksgiving liturgy at 11.30am and then our traditional clap out of the year 6's through the Lagoon St gate. Year 6's will go home at this time to be ready for their graduation party later that evening. All other families are very welcome to collect their children from 12.30pm. The class teacher needs to be informed so that the class roll can be marked accordingly.

A reminder that we have an optional *Bring Your Own Device* program for students in years 4-6. Parents of students can read the information about the requirements and the new purchasing option on our website [here](#).

Afternoon pick up and use of church driveway

Pick up time for parents of children in Kinder to Year 2 ONLY at 2.50 pm. This includes at kiss n ride. **Do not wait at kiss n ride before 3.05pm if you are picking up older children too.** It is dangerous as cars that are stationary in the zone means that those actually picking up the younger children only have one spot on the corner left. For the sake of the safety of all our children and parents we ask that you do the right thing. If you are using the Church driveway please enter via Waterloo St and park on the left at the poles to allow others to get through. PLEASE BE CAREFUL entering and exiting the church driveway as many families walk through there.

Third Week of Advent - Joy

As we enter the third week of Advent, we light the third candle representing 'Joy', for ourselves and everyone. It is the pink candle and the reason for it being rose/pink is that is the liturgical colour of joy. Christmas is a joyful celebration of the birth of the baby Jesus, God's entry into the world.

Joey's Got Talent

What a brilliant array of talent the children showed off this week in the Joey's Got Talent heats!! We were all blown away at the skills each child displayed as they performed their little hearts out. There were shaky hands, nervous giggles, sweaty brows and long deep breaths while awaiting their performances but the nerves never took over and only made them shine!

Congratulations to all performers, I am in awe of how brave you all are, to get up in front of your peers and your teachers and show off your brilliant talents. You should be so proud of yourselves. Each of you will be receiving a Joey's Got Talent certificate next week.

We wish we could watch you all perform all over again, however, after lengthy afternoon deliberations looking through our score sheets, we have decided to take 10 performances through to the finals day next Monday. These will be held just after morning tea. Those performances who made it through are:

- Manaia
- Kaiya and Kaden
- Iris and Willow
- Max F and Sinclair
- Ciara and Sia
- Ruby, Stella and Mia
- Paddy and Louis
- Kyah
- Roslyn and Abby
- Flo and Ruby

Time to polish those acts finalists! See you all at the finals!

iPads for Learning | BYODD for 2022 | Years 4, 5 & 6 2022

Since 2020 we have had a Bring Your Own Designated Device (**BYODD**) program for students in Years 4-6 for iPads. This is optional for families. As students move up in the grades they access the iPads in a greater variety of ways across many subject areas. When they have their own device they can store their work and creations on it and have access when they need it instead of sharing a device across the class. The CSBB is also encouraging this program as most other devices in school will now be on lease agreements. Leasing is far more cost effective for the Diocese. This also frees up the leased devices for the younger grades.

[This link to our website page on BYODD](#) outlines all the details of our program including what to buy, how the device is managed and user agreements for children and parents.

NEW for this year is that the CSBB has negotiated with an online seller to enable our parents to buy the latest 9th Gen iPad at a discounted price. There is a link to the buying portal on the BYODD page. Please contact me if you have any questions about this program.

School Buses – Student Opal Card

Message from Transport NSW – School Bus Opal Cards

Applications for student travel in 2022 opened on **Tuesday 12 October 2021**. Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (eg joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

From 1 November 2021, the bus service provider in the Northern Beaches area will change from State Transit Authority (Sydney Buses) to **Keolis Downer Northern Beaches**. *Students, parents or carers applying for a School Opal card will need to nominate Keolis Downer Northern Beaches as their bus operator.*

Students with an existing School Opal card will automatically have Keolis Downer Northern Beaches added to their travel entitlement. If you have any questions or concerns, please reach out via transportnsw.info/contact-us/feedback/fares-concessions-tickets-feedback

School Band

Band 2022
