Dear parents

Prayers and Sympathy

Today Father Robert is presiding at the funeral of his mother, Mrs Betty Borg. I ask for your prayers at this grieving time for Father Robert and his family.

Advent

It is now Advent, the time of year in the church calendar to be prepared and 'get ready' for the celebration of the birth of Jesus at Christmas. Our students have been learning about how to 'get ready' in their RE classes. Year 6 created their own Advent kindness calendar which has been loaded on our FB page and has already been shared and acknowledged by people in the community, including the Northern Beaches mayor, Michael Regan. A hard copy of the kindness calendar was sent home with the eldest child of each family yesterday. I encourage you to read the beautiful suggestions on the calendar daily, all created by our Year 6 class and join in 'getting ready' for Christmas in this special way.

End of year learning

Here at school, we are in our 'end of year' mode, with lots to organise and finalise before the last day. The classes are still working on their Term 4 learning goals and it is wonderful to hear from teachers how hard some children are working to meet their goal. Reading the reports this week, I am very proud of the children for coming back to school this term and catching up on face to face learning and learning how to live and learn in a school community again. Thank you, parents, for supporting the teachers by keeping up the positive feelings about school and expected behaviours.

Semester 2 Reports will be available on Compass next Friday 10 December.

Joeys Talent Quest

Although we aren't having some of our usual end of year events, Mrs Browett, and a team of Year 6 helpers have organised a fun talent quest being held during lunchtimes over the next 2 weeks. Please see the entry in the newsletter later for all the details. Thanks Mrs Browett and Year 6 team!

Free Ice block Friday

The P&F is providing free ice blocks on Friday 10 December at lunchtime for the children- thanks P&F team!

Free Icypoles for the kids!

Friday 10th Dec @ lunchtime

Treat from the P&F team

Early dismissal on Wednesday 15 December - 12.30pm - Last day of school

The last day of school is Wednesday 15 December. As set out in the table of events below, we have our end of year Thanksgiving Liturgy at 11.30am and then our traditional clap out of the year 6's through the Lagoon St gate.

Year 6's will go home at this time to be ready for their graduation party later that evening. All other families are very welcome to collect their children from 12.30pm. The class teacher needs to be informed so that the class roll can be marked accordingly.

TTFM survey - extension of time to complete to 3 December - tomorrow!

In the past few weeks I have invited parents to provide feedback on their experience of our school using an online survey. The surveys are an important part of our whole school evaluation and planning process. We would like to invite you to complete the *Tell Them From Me (TTFM)* Partners in Learning survey. As we value the role of parents and carers within our school community we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at St Joseph's Narrabeen.

The survey is anonymous and will take approximately 20 minutes to complete. You are able to access the parent survey on your computer or mobile device by using the URL: <http://tellthemfromme.com/joeys2021>

Afternoon pick up and use of church driveway

Pick up time for parents of children in Kinder to Year 2 ONLY at 2.50 pm. This includes at kiss n ride. **Do not wait at kiss n ride before 3.05pm if you are picking up older children too.** It is dangerous as cars that are stationary in the zone means that those actually picking up the younger children only have one spot on the corner left. For the sake of the safety of all our children and parents we ask that you do the right thing.

If you are using the Church driveway please enter via Waterloo St and park on the left at the poles to allow others to get through. PLEASE BE CAREFUL entering and exiting the church driveway as many families walk through there.

iPads for Learning | BYODD for 2022 | Years 4, 5 & 6 2022

Since 2020 we have had a Bring Your Own Designated Device (**BYODD**) program for students in Years 4-6 for iPads. This is optional for families. As students move up in the grades they access the iPads in a greater variety of ways across many subject areas. When they have their own device they can store their work and creations on it and have access when they need it instead of sharing a device across the class. The CSBB is also encouraging this program as most other devices in school will now be on lease agreements. Leasing is far more cost effective for the Diocese. This also frees up the leased devices for the younger grades.

[This link to our website page on BYODD](#) outlines all the details of our program including what to buy, how the device is managed and user agreements for children and parents.

NEW for this year is that the CSBB has negotiated with an online seller to enable our parents to buy the latest 9th Gen iPad at a discounted price. There is a link to the buying portal on the BYODD page. Please contact me if you have any questions about this program.

School Buses – Student Opal Card

Message from Transport NSW – School Bus Opal Cards

Applications for student travel in 2022 opened on **Tuesday 12 October 2021**. Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (eg joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

From 1 November 2021, the bus service provider in the Northern Beaches area will change from State Transit Authority (Sydney Buses) to **Keolis Downer Northern Beaches**. *Students, parents or carers applying for a School Opal card will need to nominate Keolis Downer Northern Beaches as their bus operator.*

Students with an existing School Opal card will automatically have Keolis Downer Northern Beaches added to their travel entitlement. If you have any questions or concerns, please reach out via transportnsw.info/contact-us/feedback/fares-concessions-tickets-feedback
