## This Week at Joeys

We hope you had a relaxing and restful break. It was wonderful to finally have some lovely weather!

The students have settled nicely back into their learning and are enjoying seeing their school friends again.

Acting Principal

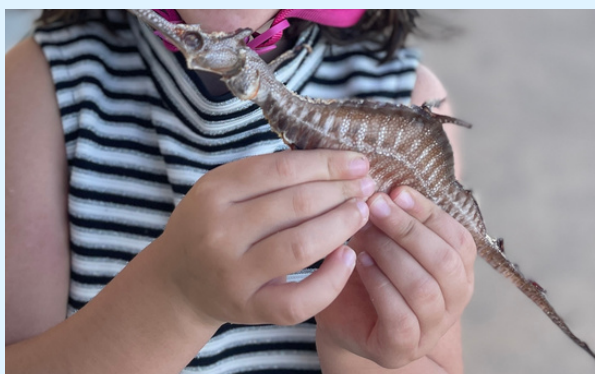

## ANZAC Day

St Joseph's Civics and Citizenship Leaders led the school in an ANZAC Ceremony on Tuesday. It was a beautiful and respectful ceremony.

We are also very proud of our Year 6 students Ava, Emily and Lenny, who attended the community march. Emily wore her Great-Grandfather's medals and Lenny wore his Grandfather's medals.

## COVID: The Latest

The announcement to ease the isolation requirements for close contacts was made on 20 April 2022. This will enable students and staff who are close contacts and have no symptoms to continue to attend school if they follow guidelines agreed with NSW Health. Close contacts attending school will need to adhere to the following in addition to the NSW Health guidelines:

- They must notify the school via email if they are intending to return under this provision.
- They should conduct a daily RAT and return a negative result each morning before attending school for 5 school days.
- Any visitor to a school site who is a close contact is required to advise the school that they are a close contact before they come on site.
- These visitors should conduct a daily RAT and return a negative result before attending. They must also wear a mask indoors at all times. SJN school will consider if the visit can be conducted virtually.

Our Hygienist will continue onsite every day for Term 2, as well as the usual broader cleaning program.

Take care everybody!
