

# ST JOSEPH'S NEWS

## TERM 2, WEEK 5

### This Week at Joeys

It's been a busy week!

Many thanks to those who attended the P&F meeting on Monday night! A lot was covered, including future events, so please check the upcoming dates on Page 2.

We discussed the Canteen at the P&F meeting - including streamlining and supporting volunteers, plus ideas to allow smooth operation. Please see the Term 2 roster and updates further in the newsletter.

The safety of the morning and afternoon Kiss n Ride zone was a hot topic. I will be seeking support from the council to ensure drivers use this zone correctly (which means possible visits by the ranger and more signage.) Please support me in keeping your children safe.

Thank you,

Virginia Outred, Principal

### Disco: Updated Info

Grab your tickets to the VIVID Disco on QKR. There are still tickets available and it's going ahead, despite the strike tomorrow. Guaranteed to be a lot of fun!

Please be aware you must sign your child in and out, so you cannot 'drop off' until that's done.

In terms of merch, please feel free to dress up in your own brightly themed gear! There will be limited merch available on the night. Gel-based glow sticks are unfortunately not permitted as there have been some issues previously.

We look forward to a great night!

### Afternoon Kiss n Ride Safety

This area is almost always clear by 3.15pm at the latest - which means we're talking about 15mins of safe, respectful teamwork!

Please do not join the line of cars in Lagoon St if there are already 3 in the zone. The 4th car on the corner means that the intersection becomes extremely dangerous for cars and pedestrians in Wellington St.

The teacher on duty will not send your child to that corner. Please just drive around the block.

Please respect the teachers if they ask you to go around the block. We thank you for your support and patience!

# What's Happening

## Parents in Class!

See how your child learns and get some amazing insights with our Parent Engagement Session. On Friday June 3 at 2pm, you are welcome into the classrooms to observe and participate in a Creative Arts session.

We would love to see you there!

## Upcoming Key Dates

May 31 – Diocesan Cross Country (was rescheduled)

May 27 – School Disco (Tickets on QKR!)

June 3 – Parent Engagement Session at School

June 30 – Last Day of Term 2

October 21 – Colour Fun Run for students (details to follow)

October 22 – It's back! Trivia Night for parents and carers (details to follow)

## An Update on our current Music Program

This week Monique Warokka, director of Roar Music, the company who run our extra curricular band program, informed me she will cease her contract at the close of Term 2.

Monique has run the program since 2019, adding new instruments, tutors and opportunities for children who wish to learn an instrument and be in a band. Monique managed to keep the program running during lockdowns and be innovative so children could perform remotely.

I thank Monique for her commitment to the music program, her time and the passion for music she has shared with our students.

I will begin a process soon to ascertain how the program will run in the future.

Jun 20	Brooklyn Troy + 1 volunteer needed	Jun 24	Maura Stewart + Angela Boyle + Veronika Bowring
Jun 27	Brooklyn Troy + Hannah Marsh	Jul 1	

## Canteen at Joeys: How you Can Help

- There's an even easier way to volunteer.
- We still need helpers! Check the roster above to see what days need filling!

Thanks to those who have put their hand up to fill in some of the gaps.

We now have a new 'busy window' helping position, which only goes from 12–1.15pm on Mondays. You'll be teamed with an experienced volunteer.

If you can help, please contact Nicole Gleadow to add your name to the roster:  
[nicolegleadow@gmail.com](mailto:nicolegleadow@gmail.com)
