

ST JOSEPH'S NEWS

TERM 2, WEEK 9

This Week at Joeys

We were so lucky to have a continuation of this beautiful winter weather for our two Gala Days. Lots of enthusiastic participation from our Years 3–6 students in the Eagle Tag games against the other Catholic schools on the Northern Beaches! The clinics we participated in all term really helped the students with skills and confidence to play.

Parent teacher interviews have been happening all week. Thanks to all of you parents who have made the time to come and discuss your child's learning. The interview timeslot is 15 minutes. If your interview needs more time than that, please make another time with the teacher for a later date.

Thank you to everyone for making a big effort with Kiss 'n' Ride and observing the new signage – it is noticed and appreciated!

Proposed Teacher Strike – Thurs Jun 30

Late Tuesday, we received news that state and Catholic school teachers will strike next Thursday, 30 June.

More information on the situation at our school specifically will be communicated by Friday afternoon, however, I envisage much the same situation as the last time, ie minimal staff resulting in student supervision only.

Athletics Carnival Day 2 of Term 3

This is a day of fun and participation for all students K–6 on July 19.

All the information, entries and permission forms were emailed as a Google doc via Compass last Monday. Please fill in the paperwork by Thursday of next week (June 30) so our PE teacher Mrs Frost can work on the program on Friday July 1 and your child doesn't miss out.

Teacher Updates for Term 3

Next term, our Year 2 teacher, Mrs Kath Fogwell (pictured) is on long service leave. The Year 2 class have been informed of the replacement teacher for the term, Mrs Nika Hankin.

Mrs Fogwell is also on the school leadership team as the Religious Education Co-ordinator (REC). For Term 3, Mrs Cara Appleton will take up this position in an acting capacity. This means that Mrs Kath McCamey will be on Year 5 every Thursday as Mrs Appleton will have her leadership release time.

Have a wonderful break Mrs Fogwell!

Cards That Count

This is a lovely P&F fundraising initiative! Students have all designed a card during class time. Next Term, you will be sent a sample of the card your child drew and how that card could look when it is professionally printed. You have the option then to purchase it in whatever quantity you'd like (ordering is optional).

We can't wait to see what designs our Joeys dreamed up!
