TERM 2, WEEK 10

## This Week at Joeys

I take this opportunity to wish you all a wonderful winter break.

Term 2 has been busy and productive for learning. Thank you for consistently having your children at school with a positive attitude to learning and for displaying our Term 2 core value of 'Respect' – for themselves and others.

## Teacher Strike – Tomorrow

We have already communicated to you that tomorrow is the teachers' strike. There will be minimal supervision at our school with no teaching and learning in classes. Students who attend may wear sports uniform.

## Athletics Carnival Day 2 of Term 3

This is a day of participation for all students K-6. All the information, entries and permission forms were previously emailed via Compass. [You can access the permission form here.](#)

TODAY is the last day to fill in the form so that our PE teacher, Mrs Frost can work on the program on Friday 1st July.

We can't wait for a fun and competitive day!

# What's Happening

## Update on Band & Music

Thank you to Monique Warokka and her company Roar Music who have been running our extra curricular band and music program since 2019. There have been some wonderful musical opportunities and performances over the years. Monique is sadly ending her contract with the school at the end of this term.

A few weeks ago we sent out a survey to parents to gather your opinion and some data about an extra curricular band and music program continuing at St Joseph's. We had a great response that gave us some quality information to work from. An analysis of the data indicates that a majority of those responses are in favour of an extra-curricular music and band program at the school. We have also noted preferences for lessons in school time and on-ground, while also being cost effective. We are now contacting and inviting several companies an interview to hear how they could meet our criteria for a suitable program. This will happen in early Term 3. We will let you know once a decision has been made.
