## TERM 4, WEEK 1

### This Week at Joeys

Welcome back to Term 4.

As I told the children at Assembly on Monday, it's shaping up to be a fun term for students and parents! Starting with the Colour Fun Run next Friday Oct 21, then the Trivia night for parents on Saturday 22nd Oct and then later in the term our much anticipated School Musical on Thursday Nov 27, we're in for some fun, learning and rehearsals! Details about all of this are later in the newsletter. Please take the time to read and note dates and requirements.

Of course, none of these events happen without someone taking charge of the organisation. These are parent volunteers and I thank them for their time and commitment to these events so the whole community can benefit from joining in community and raising funds for learning resources. So, a big thank you to Sam Mancell and her team of volunteers for the Colour Fun Run and Michelle Grice and her team for the Trivia night.

Thank you

Virginia Outred, Principal

### Colour Fun Run

The 2022 Colour Fun Run will be held next week and excitement levels are high! You can find out everything you need to know about it on our website, or [clicking here](#).

This is a sponsorship event and there are prizes up for grabs for our top fundraisers!

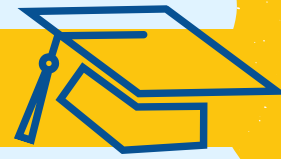

- Use the Sponsorship form to keep track of pledges from friends and family
- Make one final, total deposit per child via QKR
- The top FIVE fundraisers per class will score a special prize!
- The class that raises the most amount of money will earn themselves a VIP PIZZA PARTY afternoon
- To be eligible, you need to finalise your QKR deposit by 3pm October 28th

Thank you for supporting our school!

## Taking Part

Our school musical will be held at 7pm on Thursday Nov 24. If you happen to have organised a family trip or other such event meaning that your child will be away on that day and evening, we kindly ask that you please let your child's teacher know ASAP. We go to great lengths to ensure that our musical is inclusive, and all children have a choreographed part in their class items, as well as costumes which are often hand made by teachers and other helpers. It is therefore important that we have exact numbers of those who are planning to attend. We appreciate your support in this.

## Costume Info

Late next week we will be communicating details of the costume items we need your children to bring. They will have several weeks to bring in the required items (which you will likely have at home). This will be communicated in a paper note, as well as in the school newsletter so you also have a digital record of the requirements. Stay tuned!

We're on the hunt for sewers, handy craftspeople and those who know their way around a hot glue gun! Mums, Dads, Grandparents and extended family – we will gratefully accept all volunteers! This is a lovely way to be involved with a school activity at home, at a time that suits you and we'd really appreciate your help. ## Music Lessons

COVID did a real number on lots of things, including our school band program. We're really excited that we can focus on building it up again in 2023. That kicks off with our all-new extra-curricular music program. Run by expert Kellye Bettman at MusicLinks, there are a range of specialised tutors and in 2023, we will launch a band and training band program.

This term, MusicLinks will be offering 'Starter Lessons'. Now the term is underway, we have a shorter package available at a reduced rate – so you can get your Joey warmed up and ready to go!

On Wednesday Oct 19, MusicLinks and some special visitors will showcase what being part of a band involves, plus let our students see up close what sort of concert band instruments they may want to learn. They're holding an 'Instrument Demo Day' at school for everyone. If your child is interested, Kellye is hosting a Zoom at 7pm ([you can join via this link](#)) that same evening to answer any and all questions.

You can also find our more [via the registration page](#).

## Student Bus Passes

2023 School Travel Applications are now open. Students who need a School Opal card or travel pass for 2023 [can apply now](#). A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. shared custody).

Students who change address, school, campus location or received an expiry notification from Transport for NSW for their school travel entitlement should renew or update their details before the end of Term 4. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.
