TERM 4 CURRICULUM NOTE

RELIGIOUS EDUCATION

Catholic Schools Broken Bay use a student-centred approach for K-2 Religious Education that has a focus on early years pedagogy. It uses rich hands-on resources to explore deep connections and continue to build each child's journey of faith. Use of journals is implemented more frequently this term.

MATHEMATICS

In mathematics K-2, students:

- develop essential numeracy skills and mathematical fluency
- identify, describe and apply patterns and relationships
- develop their reasoning and problem-solving skills
- apply their knowledge and understanding in practical situations and make informed decisions.

SCIENCE AND TECHNOLOGY

Our Environment

This unit provides opportunities for students to investigate how our environment is made up of different materials chosen for a specific purpose. Students will create design solutions for real world problems and collect data to communicate their ideas.

PDHPE Keeping Safe and Friendology

Students will continue to explore Friendology where students will learn strategies and skills to become a good friend and keep friendships healthy.

Students will also continue to explore the unit Keeping Safe where students will explore strategies and behaviours, they can incorporate into their daily lives to maintain and promote their emotional, social and physical health and wellbeing.

ENGLISH

Continuing to create connections between **oral language, reading fluency, comprehension, and writing** in our learning; underpinned by the latest international research of phonics and phonemic awareness.

This term we will focus on blending and segmenting sounds in words to assist with fluency when reading decodable texts.

History

Personal and Family History

Students will build on their understanding of their personal and family history with a focus on Aboriginal spirituality in our nation's history. Students will share our history with a school in New Zealand through a pen pal program.

HOMEWORK

Children will continue to be given decodable readers this term, please ensure these are not misplaced while using them.

Children will continue to use their writing journals to build on their writing skills

CREATIVE ARTS

Kindergarten are exploring Visual Arts through landscapes, creating multi-media artworks that reflect this unit of work.

Kindergarten will be exploring dance with Brenda Paul through learning their class dance that will be showcased at the school musical.

Music and drama will be explored through specialist music lessons with Mr Wagstaff and through integration into daily topics where students will express themselves through movement and role-playing.
