

TERM 4 CURRICULUM NOTE

RELIGIOUS EDUCATION

Students will engage in scripture presentations and wondering questions to allow them to deepen their faith and understand the teachings of Jesus.

MATHEMATICS

Students will continue developing mathematical fluency through daily hands-on warm-ups while learning about data, time, 2D shapes and 3D objects, and strengthening their reasoning and problem-solving skills.

SCIENCE AND TECHNOLOGY

Changes all around

Students will continue to build their STEM skills in collaboration and problem solving. Students will explore how the sky, weather and land can change, and how people can change places through their actions.

PDHPE

Students will learn about safe decisions and healthy choices. In specialist Physical Education lessons, Mrs Frost will focus on gross motor activities.

SPECIALIST TIMETABLE

- **Class Sport:** Tuesday (please wear sport uniform)
- **PE:** Friday (please wear sport uniform)
- **Library:** Tuesday (please bring library bag)
- **Creative Arts:** Tuesday

ENGLISH

Students will continue to build on their **phonics and phonemic awareness skills** to become more confident readers and writers. They will develop **reading fluency**, enhance their understanding of texts, participate in **oral language** activities, and create a variety of written pieces to communicate their ideas effectively.

GEOGRAPHY

Water- cause and effect

Students explore the geography of the Middle East and learn how the land, water, and weather shaped the lives of people in Ancient Egypt. Mrs Carolan will teach this.

CREATIVE ARTS

Students will participate in creative rehearsals and performances as they prepare for the school musical, building confidence, collaboration and performance skills. Dance will be taught by Mrs Paul on Tuesdays to support school musical.

HOME LEARNING

Home learning will be sent home each **Monday** and brought back the following **Monday**, allowing plenty of time, including the weekend, to complete it.
