

TERM 4 CURRICULUM NOTE

RELIGIOUS EDUCATION

One in God's Creation

Students will learn about the creative act of God, an outpouring of divine love and goodness, in which we are called to share because each individual person is created and loved by God.

MATHEMATICS

Students will focus on developing mathematical fluency through the following topics:

- Measurement and Space
- Addition and Subtraction
- Multiplicative Thinking
- Partitioned Fractions
- Statistics and Data
- Place Value

SCIENCE AND TECHNOLOGY

STEM

Students will be involved in exciting **STEM challenges** linked to the Stage 2 Science curriculum, giving them opportunities to investigate, design, create, and innovate while developing their scientific understanding.

PDHPE

Students will identify roles, rights and responsibilities in different relationships, exploring how they can influence theirs and others emotional and social wellbeing. They will recognise types of abuse and bullying behaviours and will practise strategies they can employ when they themselves feel unsafe or they see others in need of assistance or help.

*In specialist **Physical Education** lessons, Mrs Frost will teach physical education skills and games. Mrs Paul will be teaching **Dance** in preparation for our whole school musical.*

SPECIALIST TIMETABLE

- o **Sports uniform:** Tuesday and Friday
- o **Library:** Tuesday (please bring library bag)
- o **Creative Arts:** Tuesday
- o **PE:** Friday

ENGLISH

Students will deepen their skills in ***oral language, reading fluency, comprehension, writing, spelling, handwriting and digital transcription and understanding and responding to literature.***

Students will learn about narrative through the text ***Our Dreaming*** by Kirli Saunders. They will also learn about themes through the texts ***Kicking Goals with Goodesy and Magic*** by Anita Heiss with Adam Goodes and Michael O'Loughlin and ***Diary of an AFL Legend*** by Shamini Flint.

GEOGRAPHY

Birth of Democracy

This Year 3 unit on the Birth of democracy will guide students through an exploration of civilisation of Ancient Greece, including the conditions of life in ancient Greece that first gave rise to Athenian democracy. The roles of individuals in establishing democratic systems will give a sense of the impact of people and ideas in history. This will be taught by Mrs Carolan.

CREATIVE ARTS

In Visual Arts, students will explore the theme of ***Places and Spaces*** through drawing and printmaking. They will develop their artistic skills by creating artworks inspired by landscapes, communities, celebrations, stories, and significant events, while experimenting with elements such as line, shape, texture, colour, and pattern.

Dance will be taught through specialist lessons with Mrs Paul to prepare for school musical.

HOME LEARNING

Home learning will be given fortnightly. It will be sent home on Monday odd weeks and returned on the Friday even weeks.
